

WHAT WE DO

OUR MISSION

To help children with special needs live their best life by maximizing their abilities. We strive to constantly improve and innovate, providing the most appropriate and current therapeutic interventions regardless of a family's ability to afford the full cost of care.

OUR MISSION IN ACTION

Levi and his family have been instrumental advocates for Kids Center and its mission since beginning Levi's therapies. The Logsdon family secured a \$1,000 Walk and Roll Sponsorship donation from Altria. Those funds directly effect the therapy funding Levi receives.
